AFFILIATION AGREEMENT

For the

PHARMD/DOCTOR OF PHARMACY

Between

TOURO COLLEGE OF PHARMACY

And

CUNY– LEHMAN COLLEGE

I. PURPOSE

This document is an agreement between the Touro College of Pharmacy (TCOP) and CUNY- Lehman College ("Lehman") of a contractual relationship to conduct a 7-year or 8-year Pre-Pharmacy Program ("the Program"). The agreement will become effective 1/1/19.

The program leads to the baccalaureate degree from CUNY- Lehman College and the Doctor of Pharmacy degree from Touro College of Pharmacy.

II. ADMISSIONS

CUNY- Lehman College will recruit, interview and admit first-year students into the Program to follow a specific TCOP/Lehman College track.

During a student's three or four years at Lehman the following is required: 12/13/22

- A cumulative GPA of at least 3.0 and a science GPA of at least 2.75.
- ~~A PCAT exam taken within the last two years at Lehman. Should a minimum score be required, Touro College of Pharmacy will notify Lehman of the minimum required PCAT score in July of each year.~~
- Completion of a minimum of 8 credits of biology (course/lab), 8 credits **each** of chemistry and organic chemistry (course/lab), 8 credits of anatomy and physiology (if taught combined, anatomy and physiology 1 and 2, or if taught individually, anatomy and physiology, each course to include a lab), 4 credits of microbiology (course/lab), 3 credits of biochemistry, 3 credits of calculus, 3 credits of economics, 3 credits of English composition, 6 credits of humanities (LEH courses) and 6 credits of behavioral/social sciences (World Cultures & Global Issues, US Experience in its Diversity), with no grade below C in any of these courses or labs and no grades taken earlier than 10 years ago.
  Lehman College Equivalent Courses:
  BIO 166, BIO 167, CHE 166, CHE 167, CHE 168, CHE 169, CHE 232, CHE 233, CHE 234, CHE 235, BIO 181 and 182 *or* BIO 228 and 267, BIO 331, CHE 444 *or* BIO 400, MAT 175, ECO 167, and ENG 111.
- Completion of the following courses or equivalent: ANT 322 *or* MAT 132 *or* PSY 226, ANT 171, and ANT 269.
- Completion of all Lehman general education requirements.
- Students are encouraged to enroll in additional courses such as physics, English/oral communication, genetics, psychology, human growth and development, and sociology.
- A favorable recommendation by the Pre-Health Evaluation Committee and 2 additional recommendations.
- Participation in TCOP applicant interview process with a positive recommendation.
- A completed PharmCAS application.

Students who have transferred to Lehman are also eligible for the Program, provided they apply for entrance to the Program in their first year of enrollment at Lehman. In addition, they must:

- Complete a minimum of 60 credits in residence at Lehman.
- Complete a minimum of 50% of the credits required within Track II of the Anthropology/Biology/Chemistry interdisciplinary major in residence at Lehman.

Enrollment in the Program is not a guarantee that the candidate will be granted admission to Touro College of Pharmacy and final decisions will be solely at the discretion of Touro College of Pharmacy. Students enrolled in this program who do not meet or exceed the above standards have the privilege of applying for admission to Touro College of Pharmacy through the regular channels. All candidates must meet Touro College of Pharmacy admission standards at the time of their enrollment into Touro College of Pharmacy. Touro College of Pharmacy reserves the right to deny admission to students who, in the opinion of Touro College of Pharmacy, may have difficulty obtaining a pharmacy license.

III. CURRICULUM AND ADVISEMENT

CUNY- Lehman College agrees to have students in the Program pursue a curriculum approved by both Lehman and Touro College of Pharmacy.

Under this agreement, 37 credits from the first year of the four-year curriculum of the Doctor of Pharmacy curriculum at the Touro College of Pharmacy will be counted toward the student's baccalaureate degree at Lehman College, with the credits from all sources totaling at least 120 upon completion of the first year of the four-year curriculum at TCOP. CUNY- Lehman College agrees to award a baccalaureate degree with a major of Anthropology/Biology/Chemistry Track II to these students upon satisfactory completion of their first year at Touro College of Pharmacy.

While a student is in attendance, whether at Lehman College or the School of Pharmacy, each institution will collect tuition in accordance with its own policies.

CUNY- Lehman College agrees to provide the full counseling, advising, and programming resources available at Lehman. Touro College of Pharmacy agrees to provide support in evaluating and interpreting pre-pharmacy curricular requirements at the request of Lehman.

IV. CANCELLATION

Either party to this agreement may cancel by formal notification to be received by October 1st of any academic year, with cancellation effective at the end of that academic year. All students who are enrolled in the program at the time of such notification shall be continued in the program and shall be eligible for acceptance by Touro College of Pharmacy under the terms of the agreement.

IV. MISCELLANEOUS

Touro College of Pharmacy and CUNY- Lehman College agree to indemnify and hold each other harmless, as well as their trustees, officers, employees, agents, and representatives from and against any and all claims, demands, actions, settlements, or judgments, including attorney's fees and litigation expenses, based upon or arising out of the activities described in this Agreement, to the extent that such claims, demands, actions, settlements or judgments are occasioned by the negligence, actions or omissions of Touro College of Pharmacy or CUNY- Lehman College, their agents, servants, employees or students, and vice versa.

It is understood that this Agreement is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association between CUNY-Lehman College and Touro College of Pharmacy, but is rather an Agreement by and between independent contractors.
