

eDigest

Dear Lehman Faculty,

In order to maintain compliance with the U.S Department of Education regarding the verification of completion of coursework for the almost 75% of our students receiving Federal financial aid, the college has developed a seamless process called eVerification which is a component of the new **Lehman 360** platform.

To address compliance and avoid financial penalties, eVerification will allow faculty to verify their grades online and provide supporting documentation for 'F' and Incomplete (INC) grades assigned to students. When completing the eVerification process, it is critical that your response be as thorough and complete as possible. Non-responses to eVerification may result in financial implications for the college.

If you have any questions, kindly contact Lehman.eVerification@Lehman.Cuny.Edu

Sincerely,
Lehman eVerification
