COURSE REVIEW WORKSHOPS

CHE 114: Essentials of General Chemistry
CHE 120: Essentials of Organic Chemistry
BIO 230: Microbiology

Course Review Workshops will be conducted 1-2 weeks prior to each exam. Students enrolled in classes eligible for course review workshops will receive advance notification via email.

PEER-LED TEAM LEARNING (PLTL)

CHE 114: Essentials of General Chemistry (Wallace)
CHE 120: Essentials of Organic Chemistry (Ravi)
Students in any section taught by instructors participating in Peer-Led Team Learning may attend PLTL workshops. PLTL Workshops will be conducted twice each week, and are course- and instructor-specific. However, students in other CHE sections are welcome to attend.

Supplemental Instruction (SI)

Supplemental Instruction (SI) offers peer-led review sessions for selected "traditionally difficult" courses. This semester, review sessions will be offered in Biology, Psychology, and more. Sessions are facilitated by a trained SI

leader twice per week. To find out if there is an SI session for your course, check your email or Blackboard, ask your professor, or check our website, www.lehman.edu/issp, for the SI course list this semester.
