## STEP-BY-STEP INSTRUCTIONS

### Step 1

On the login page, enter your Lehman Account username and password

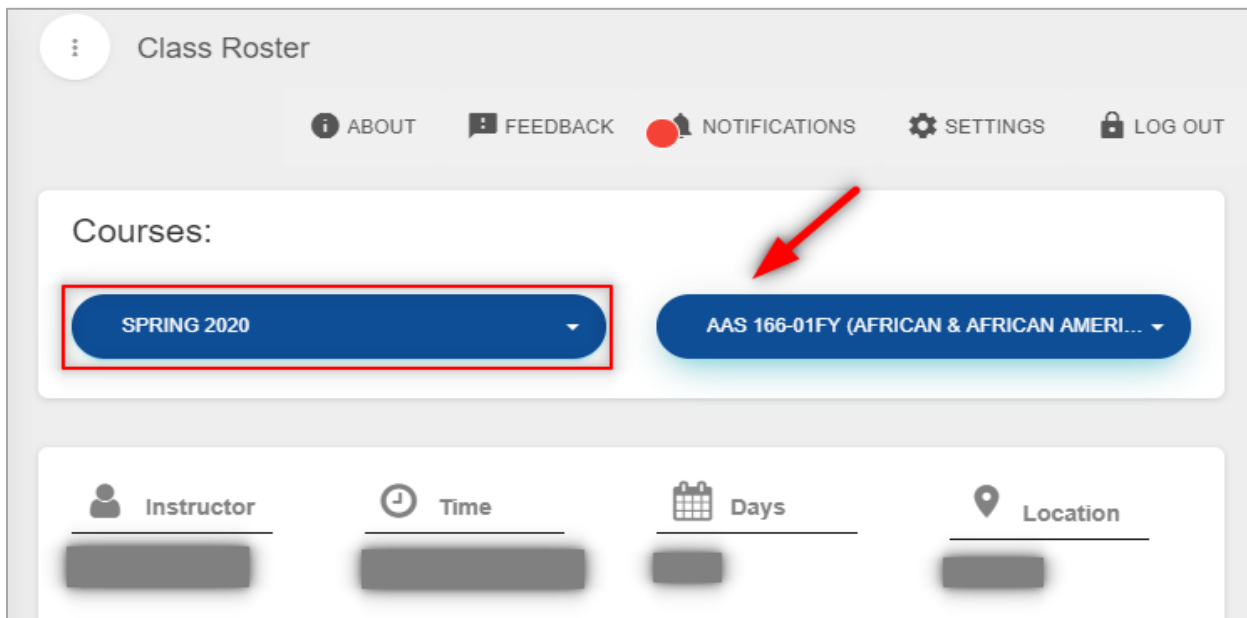

### Step 2

- From the Lehman 360 left navigation menu, select **“Class Roster.”** The Class Roster screen will display to the right of the page.

### Step 3

- b. The current semester will be selected by default. You may also use the drop-down arrow to select a previous semester.
- c. Select the course for which you want to see all enrolled students. If you are teaching multiple courses during the semester, all of your courses will be listed in the drop-down menu.

### Step 4

- a. Select the student or students whom you will email by checking the checkboxes next to their EMPLIDs. If you would like to select all students, click on **“CHECK ALL”** at the top of the checkboxes.

**Note:** If you are looking for a specific student, you can also use the **“Search List”** bar to type the student’s name, last name or EMPLID.

- b. After your selection, click on the green box called **“SEND EMAIL”**. A pop-up window will appear where the email content can be composed.

**Note:** If email is sent to more than one student, they will not be able to see who else received it in the **“To”** field when they view the email. Each student will only see their own individual email displayed, as the other email addresses are masked as a Blind Copy (Bcc).
