VISITING STUDENT CHECKLIST

Due to the coronavirus pandemic, all office services are currently being conducted remotely. Submit all application materials as attachments to one email that you will send to visiting.students@lehman.cuny.edu.

_____ Compile the information needed to apply as a Visiting Student:

_____ Completed Application for Visiting College Students (pages 2-3 of this PDF)

_____ Copy of your unofficial transcript

_____ The following requirement is waived for students who are only taking courses during Summer 2020 (or any semester when all classes at the college are being offered only in the online format). Completed Medical Requirements form (page 4 of this PDF): All students must complete Part I of the form; students registering for 6 or more credits must complete the entire form or provide acceptable documentation of their immunization history (see page 5 of this PDF). Additional information regarding this requirement can be found at: http://www.lehman.edu/student-health-center/immunization-requirements.php.

_____ Submit all application materials as attachments to visiting.students@lehman.cuny.edu.

_____ The non-refundable application fee ($65 for New Undergraduate Students, $75 for New Graduate Students, and $20 for Returning Visiting Students) will be billed to your account when your application has been processed. It can be paid online with the rest of your tuition and fees. Once your application is processed this fee is due, even if you eventually do not take courses at Lehman as a visiting student.

Once received, complete applications are processed and students are registered for courses within approximately 1-3 business days (please note that visiting student registration usually begins during the second week of the registration period). The Office for Special Academic Sessions will obtain necessary approvals for courses that have prerequisites and will contact applicants if there are any issues.

Once the application has been processed, visiting students will receive an email from the Office for Special Academic Sessions confirming their registration status and providing useful information regarding accessing CUNYfirst, payment options, claiming a Lehman College email account, etc.

Please email visiting.students@lehman.cuny.edu with any questions.
APPLICATION FOR VISITING COLLEGE STUDENTS

For NON-CUNY only. If you attend another CUNY college, follow the CUNY permit procedures to attend Lehman.

How did you hear about Lehman? ____________________________________________

Note: Lehman College does not discriminate on the basis of age, sex, race, color, creed, national origin, physical or mental disability, sexual orientation, marital status, alienage or citizenship status, or veteran’s status. The college reserves the right to deny admission to any student if in its judgment, the presence of that student on campus poses an undue risk to the safety or security of the college or the college community. That judgment will be based on an individualized determination taking into account any information the college has about a student's criminal record and the particular circumstances of the college, including the presence of a child care center, a public school or public school students on the campus.

(Over)
Proof of immigrant or naturalized citizenship status must be emailed to the Office for Special Academic Sessions upon request. Official documents may be required.

**Important Note for All Students:** To be eligible for New York State resident tuition rates, you must prove that you have been a New York State resident and that you are either a U.S. citizen or permanent resident or that you possess an eligible non-immigrant status. The information requested will be used to determine if you qualify for the New York State resident rate. **A failure to answer these questions will require you to complete the City University Residency Form.**

Medical Requirements

Meningitis and MMR Immunization Records are required before registration

New York State Public Health Law 2167-Meningococcal Meningitis

New York State Public Health Law 2167 took effect on August 15, 2003. It requires that all colleges inform their students about meningococcal meningitis and the meningitis vaccine. It further requires you to do the following:

EITHER

Provide documentation of meningitis vaccination within the last 5 years.

OR

Decline the meningitis vaccine by completing Part 1 (on the reverse side of this form) by checking the second box and providing your signature and the date.

Meningitis is rare. However, when it strikes, its flu-like symptoms make diagnosis difficult. Symptoms can include high fever, severe headache, stiff neck, and rash. If not treated early, meningitis can lead to swelling of the fluid surrounding the brain and spinal column as well as severe and permanent disabilities, such as hearing loss, brain damage, seizures, limb amputations, and even death.

Meningitis is spread through the air via respiratory secretions such as coughing, sneezing, kissing or sharing personal items like utensils, cigarettes and drinking glasses. Certain college students, particularly freshman living in dormitories or resident halls, have been found to have an increased risk for meningitis.

A vaccine is available that protects against four types of the bacteria that cause meningitis in the United States —types A, C, Y and W-135. These types account for nearly two thirds of meningitis cases among college students. The vaccine, Menactra, is safe and effective and provides immunity for approximately 5 years. Meningitis vaccine is available at your primary care physician or visit www.istm.org for clinic listings.

To learn more about meningitis and the vaccine and other immunizations for college students, please feel free to contact our health center and/or consult your physician. You can also find information about meningitis at: www.health.state.ny.us, www.cdc.gov/ncidod/dbmd/diseaseinfo, or www.acha.org

New York State Public Health Law 2165-Measles, Mumps, Rubella

If you were born after December 31, 1956 and plan to take 6 or more credits, you are required by state law to prove you are immune to Measles, Mumps, and Rubella in order to attend college. Acceptable proof of immunity includes: your immunization card from childhood, immunization records from high school or colleges you attended, a print-out from the City- or State-wide Immunization Registry, or records from your doctor or clinic. If you do not have proof of immunizations, you must be re-immunized or have a blood test (MMR titer) to show your immunity to all three diseases (your lab report is required).

MMR vaccines are available at the Lehman College Student Health Center free of charge. Blood testing is also available but requires medical insurance. Medical waiver: Any student with a medical condition that prohibits vaccination may submit a doctor’s statement on letterhead for exemption. (Temporary medical conditions, such as pregnancy, require blood titer clearance) Religious exemption: Any student whose religious belief prohibits vaccination must complete the CUNY Religious Exemption form. Exempted students will not be permitted on campus during a communicable disease outbreak.

* You do not need proof of vaccinations if you were born on or before December 31, 1956. However, you must complete Part 1 of the Medical Requirements form concerning meningitis.
