	Courses:			
	1			
	2			
	3			
	4			

Important: All students must have a minimum of 120 credits to complete a degree. All credits other than general education and those for your major are considered electives. Advising for general education requirements and electives are done by ADP. Advising for your major will be done by the specific department. * Students entering Lehman with an AA or AS degree from an accredited college will have already met Core and Flex Core requirements. All students must declare a major upon reaching 60 credits, including all credits transferred in.
