Prepare for Tomorrow at Lehman College
Lehman College, of The City University of New York, serves the Bronx, New York City, and the surrounding region as an intellectual, economic, and cultural center. Lehman provides undergraduate and graduate studies in the liberal arts and sciences and professional education within a dynamic research environment, while embracing diversity and actively engaging students in their academic, personal, and professional development.

Online Graduate Programs

Flexible and affordable, Lehman offers a range of online course types, from partially online, where scheduled class meetings take place through online platforms and virtual meetings, to fully online, where all courses and activities are done remotely.

» Doctor of Nursing Practice
» Master of Arts in Health Education and Promotion
» Master of Science in Business (in Human Resource Management)
» Master of Science in Organizational Leadership
» Advanced Certificate in Gifted and Talented Education
On Campus Graduate Programs

Lehman College’s graduate class schedules are arranged to accommodate working professionals, and reasonably priced tuition enables scholars to work toward their futures affordably. The College’s more than 2,200 graduate students have access to extensive resources which are available to enhance learning.
