

## CAEAS Meeting Minutes – April 13, 2021

Present: Andrei Jitianu, Jessica Mills, Abigail Mellen, Cristian Valdovinos, Beatrice Donkor, Andrea Boyar, Victor Brown, Sandra Campeanu

Guests: Richard Finger

The committee heard a proposal for a policy change regarding transfer credits. The proposed change is required to bring Lehman in compliance with CUNY policy. The committee voted unanimously to approve the policy change.

The committee reviewed graduation lists for undergraduate and graduate students. The committee voted unanimously to approve the graduation lists, pending satisfactory completion of all graduation requirements.

The committee discussed the CR/NC resolution that was passed at the April senate meeting. Since CAEAS was never formally discharged from providing guidance on the matter, and since the President has requested that CAEAS complete and submit its report to senate, there was some discussion of what to include in the informational report. It was decided that all data and information gathered should be compiled into an informational report, which will be made available.

Next meeting: TBD

Respectfully submitted,  
S. Campeanu
