The committee discussed a proposal brought by Assoc. Provost Becker to change the CPI requirements for Lehman College admission from 16 Academic Units to 14. The Committee unanimously voted for this proposal which we will present to Senate in October.

Dr. Becker also discussed a clarification of the admission policy for Lehman's Spring Honors Convocation Event to include only those students who have graduated in January or will graduate in June or September, who have achieved a 3.4 cumulative average and 60 credits while in residence at Lehman. Our next meeting will be held Oct. 7, 2-3:15 in Music 313.

Respectfully submitted, Prof. Penny Prince
