

Dear Lehman Student:

Are you writing a final paper that requires working with sources? Need guidance in proper citation format (APA, MLA, Chicago, or other style)? The Academic Center for Excellence (ACE) and the Lehman College Library can help!

Starting this week, ACE writing tutors will be available in the Lehman Library to assist you with proper citation format. Tutors can look at your work, provide individualized tips on proper citation, and also show you how to access citation resources via the Lehman Library website.

No registration is necessary for the ACE Citation Clinic at the Library—just walk in! Bring your paper and the assignment guidelines. Sessions will be in the Lehman Library’s downstairs computer rooms. You are welcome to stay and work on your paper during Citation Clinic hours.
