

Bronx Tech Hub Presents:

PROMPT ENGINEERING ACCELERATOR FELLOWSHIP

January - February 2026 (Weekly on Tuesdays)
Lehman College, CUNY on the Concourse
2501 Grand Concourse, 3rd Floor
Bronx, NY 10468

The Prompt Engineering Accelerator Fellowship is a six-week immersive program that equips New York-based fellows with in-demand skills in AI prompt engineering. Through hands-on training, participants gain the knowledge and tools to leverage AI across technology, education, customer service, and marketing, building career readiness and enhancing their employability.
