

Advanced Certificate in Clinical Mental Health Counseling

This program will be offered to students who already possess a Master's degree. The Advanced Certificate prepares students to work in varied environments such as: private practice, substance misuse counseling, not-for-profits, community-based organizations, business, government agencies, and healthcare. It provides opportunities for high-quality, accessible, and affordable graduate education in mental health counseling for residents in the Bronx and surrounding areas.

Admissions Requirements

- Official transcripts from all post-secondary institutions attended
- Master's degree in Counselor Education from an accredited school**
- Minimum graduate school gpa of 3.0
- Two letters of recommendation
- Essay outlining career goals and how admissions to this program will support your goals
- Current resume
- An individual interview
- If educated in a country other than the U.S. review <https://lehman.edu/admissions/graduate-admissions/international-students/>

**Current matriculated Lehman College Counselor Education/School Counseling students who have successfully completed the first two years of required coursework, including EDG 707: Practicum in Counseling.
