Herbert H. Lehman represents the highest standards of honor and integrity in public service. During four terms as Governor of New York State and two terms in the U.S. Senate, he strove to abolish social injustice. He opposed discrimination while supporting reforms that protected union membership, established unemployment insurance, and began programs for slum clearance and the construction of low-rent housing. As the first Director General of the United Nations Relief and Rehabilitation Administration (UNRRA), he supervised the shipment of more than 25 million tons of supplies to refugees of World War II, the largest international relief effort in history. In so doing, he created the forerunner of the United Nations

High Commissioner for Refugees. UNRRA also led to the establishment of UNICEF, UNESCO, WHO, and other social agencies of the world organization.

Lehman College, the only senior college of The City University of New York in the Bronx, was formally dedicated in Governor Lehman's name on March 28, 1969, the 91st anniversary of his birth. Today, nearly 14,000 undergraduate and graduate students are enrolled in more than 140 degree programs. Each spring, the College commemorates Governor Lehman's birth, and its dedication in his name, by inviting a distinguished guest to deliver the Herbert H. Lehman Memorial Lecture.
