**Lehman College Offers Tours, Info Sessions to College of New Rochelle Students**

Lehman College is offering special tours and information sessions to students who attend the College of New Rochelle, which is slated to close in June.

“For students who are weighing their options about where to continue their education, Lehman is a high-value choice,” said Lehman College President José Luis Cruz.

*Forbes* recently set out to identify “the schools where grads owe the least relative to their likely mid-career income,” and Lehman was one of only four public colleges to rank in the top 25 “low-debt/high-income schools.”

“With our extremely affordable tuition, and track record as one of the nation’s top engines of social mobility, and the breadth of our academic program, Lehman is one of the leading transfer schools within the City University of New York system,” President Cruz added.

Lehman offers more than 140 undergraduate and graduate programs. In addition, the School of Continuing and Professional Studies offers an Adult Degree Program, which offers supportive services including academic and career advising geared especially for adults, specialized interdisciplinary credit bearing classes to help adults successfully transition back to school, and the opportunity to earn credit for prior learning from life or work experience.

For more information, and to arrange a tour, please email [TransferCNR@lehman.cuny.edu](mailto:TransferCNR@lehman.cuny.edu).
