Dear Faculty and Staff,

As we embark in a new chapter of Lehman College's digital learning experience, we are excited to announce the **kick-off meeting for the LMS Transition to Brightspace (D2L), scheduled for October 9th, from 2:00 PM - 3:15 PM in Carman Hall B04 and Online (via Zoom)**. Please join us and let us dive into the exciting opportunities Brightspace offers. Your participation will be key in shaping this new era of innovative teaching and learning at Lehman.

Please be sure to [RSVP](#).

We are also pleased to unveil the new D2L Brightspace website ([lehman.edu/Brightspace](https://lehman.edu/Brightspace)), which will serve as a central hub for all resources and updates related to the transition. Please visit it frequently for the latest news, training materials, and implementation timelines.

Our training plan is designed to equip everyone with the skills and support needed for success:

1. [CUNY Live Training](#) – Start with these sessions to get an overview of the platform.
2. Lehman IT Hands-On Sessions – These will follow the CUNY training, and the schedule will be shared soon.
3. Individual Course Design Consultations – Available through the Center for Teaching and Learning (details and registration coming soon).

We look forward to seeing you on October 9th and working together to make this a success!

Best regards,

Jorge Silva-Puras & Edi Ruiz, Campus Co-Leads for the Lehman LMS Transition
