GRADE INFORMATION

WN Grades – A grade of **WN** denotes that the student “Never Participated in an Academically Related Activity.” The grade of **WN** was issued as per “VOE” (Verification of Enrollment Roster) submitted by the faculty after the end of the third week of classes. This grade is **NOT** available via the grade roster.

WU Grades -A grade of "WU" is assigned to students who **participated in an academically related activity at least once, completely stopped participating in academically related activities any time before the culminating academic experience of the course**, and did not officially withdraw.

F Grades - A grade of F, is a failure grade given to a student who completed the class and failed. This grade is assigned for work that in the judgment of the instructor the student did not earn a passing grade.

INC Grades- The grade of "INC" (Incomplete) should **only** be given by the instructor in consultation with the student, following the below guidelines:

- a. There is a reasonable expectation that a student can **successfully complete** the requirements of the course no later than the last day of the following semester, or its equivalent in calendar time, exclusive of Summer Session. **Upon timely completion of said incomplete work, the student would earn the appropriate academic grade.**
- b. A student is absent from the final exam and a make-up exam is scheduled no later than the last day of the following semester, or its equivalent in calendar time, exclusive of Summer Session.

The grade of "INC" lapses to a "FIN" grade, as per an established deadline by the University Registrar but no later than the last day of the following semester, or its equivalent in calendar time, exclusive of Summer Session.
