For ALL Scheduling Materials and Supplemental Forms, kindly visit our web pages:
Scheduling Information for Departments
Fall 2024 Undergraduate Academic Calendar
Fall 2024 Graduate Academic Calendar

Bell Schedule
We will continue using the New Bell Schedule. Kindly review and incorporate the bell when scheduling your class sections.
New Bell Schedule Grid

Modes of Instruction
The University determines and defines how courses are offered university wide. Click on the link for the updated Modes of Instruction.

Coursedog
All course scheduling will continue to be done on this platform. The Registrar Schedulers will continue to support and train departments and/or schools as necessary. Kindly contact us if you need additional training. You can also access the scheduling guide by clicking on the link below:
Coursedog Functional Guide - Department Schedulers

To log into Coursedog, click on the link below and use your CUNYfirst credentials (**this is the live environment!**):
Coursedog Live Production

For practice purposes only, you can log into the Coursedog test site here:
