## INDEPENDENT AUDITORS' REPORT

The Board of Directors  
The Lehman College Student Child Care Center, Inc.:

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of The Lehman College Student Child Care Center, Inc. (the Corporation) as of and for the years ended June 30, 2022 and 2021, and the related notes to financial statements, which collectively comprise the Corporation's financial statements as listed in the table of contents.

In our opinion, the financial statements present fairly, in all material respects, the net position of The Lehman College Student Child Care Center, Inc. as of June 30, 2022 and 2021 and the changes in its net position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Corporation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

## Required Supplementary Information

Accounting principles generally accepted in the United States of America require that management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other

knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Management's Discussion and Analysis

June 30, 2022 and 2021

The intent of management's discussion and analysis (MD&A) is to provide readers with a comprehensive overview of The Lehman College Student Child Care Center, Inc.'s (the Corporation) financial position as of June 30, 2022 and 2021, and changes in its net position for the years then ended. Since this MD&A is designed to focus on current activities, resulting changes, and currently known facts, it should be read in conjunction with the accompanying audited financial statements and related notes.

**Financial Highlights**

- Operating revenue totaled \$1,522,688, an increase of \$372,473 or 32% from the previous fiscal year.
- Operating expenses totaled \$1,319,480, an increase of \$88,843 or 7% from the previous fiscal year.
- Total assets equaled \$1,329,458, an increase of \$70,826 or 6% from the previous fiscal year.
- Total net position equaled \$1,217,132, an increase of \$198,819 or 20% from the previous fiscal year.

**Financial Position**

The Corporation's net position, the difference between assets and liabilities, is one way to measure the Corporation's financial health. Over time, increases and decreases in the Corporation's net position is one indicator of whether its financial health is improving or declining.

**Statements of Net Position**

The following summarizes the Corporation's assets, liabilities and net position as of June 30, 2022 and 2021, under the accrual basis of accounting:

	<u>2022</u>	<u>2021</u>	<u>Dollar change</u>	<u>Percent change</u>

Management's Discussion and Analysis, Continued

At June 30, 2022, the Corporation's total net position was \$1,217,132 compared to \$1,018,313 at June 30, 2021. This represents an increase of \$198,819 or 20%, from the previous fiscal year.

At June 30, 2022, the Corporation's total liabilities decreased by \$127,993 or 53%. This is largely due to a \$127,424 decrease in accounts payable due to Imagine Early Learning Centers, LLC at June 30, 2022 compared to the previous fiscal year.

There were no other significant or unexpected changes in the Corporation's assets and liabilities.

The following is a summary of the Corporation's assets, liabilities and net position as of June 30, 2021 and 2020, under the accrual basis of accounting presented for comparison purposes:

	<u>2021</u>	<u>2020</u>	<u>Dollar change</u>	<u>Percent change</u>
Assets	\$ <u>1,258,632</u>	<u>1,157,326</u>	<u>101,306</u>	8.75%

Management's Discussion and Analysis, Continued

The Corporation's total revenue for the year ended June 30, 2022 was \$1,518,299, an increase of \$360,872 or 31% from the previous year. This increase was largely due to increases in funding from the State of New York with the receipt of a one-time Child Care Stabilization Grant to help offset additional costs and/or revenue losses as a result of the COVID-19 pandemic and increases in the Universal Pre-Kindergarten Services Grant with the expansion of the program to UPK-3K. Declines were noted in Student activity fees and Child care fees due to lower student enrollment.

The following illustrates the Corporation's revenue, by source, for the year ended June 30, 2022:

Total revenue	\$ <u>1,157,427</u>	<u>1,364,163</u>	<u>(206,736)</u>	(15.15%)

The Corporation's total revenue for the year ended June 30, 2021 was \$1,157,427, a decrease of \$206,736 or 15% from the previous year. This was largely due to declines in funding due to the COVID-19 pandemic which resulted in lower enrollment and less income in federal subsidies due to the Corporation. As indicated, revenues increased 31% in fiscal year 2022 as the Center began returning to normal operations.

Total expenses for the year ended June 30, 2022 were \$1,319,480, an increase of \$88,843 or 7% from the previous fiscal year. The major components of this was an increase in child care services primarily due to increased personnel costs and the market value of donated space provided to the Corporation. During the pandemic, the Center was required to keep mandatory staffing levels in each of its classrooms regardless of enrollment.

**Cash Flows**

The statement of cash flows provides information about cash receipts and cash payments during the year. This statement assists users to assess the Corporation's ability to generate net cash flows, meet its obligations as they come due, and its dependency on external financing. The following summarizes the Corporation's cash flows for the year ended June 30, 2022:

The Corporation's total cash at June 30, 2022 was \$804,943, a decrease of \$13,976 from the previous fiscal year. Cash used in operation activities was \$14,456 at year end which is primarily due to outstanding grants receivable in the amount of \$420,347 representing monies not received, but expected to cover fiscal year 2022 expenses.

**Economic Factors That May Affect the Future**

The Corporation is dependent on federal grant programs, funding from New York State and other grant programs. To the extent these funding structures change the Corporation can be impacted and would need to make corresponding changes to their operations and/or the tuition rates. In addition, the Corporation receives earmark monies from student association fees which are based on student enrollment. To the extent that enrollment changes, this could also affect their available revenue. The amount of money received from this source, however, is minimal compared to the total overall budget. In addition, operational adjustments due to the COVID-19 pandemic has continued to effect the Student Child Care Center.

Notes to Financial Statements

June 30, 2022 and 2021

(1) Nature of Organization

The Lehman College Student Child Care Center, Inc. (the Corporation) was organized to operate within the bylaws, policies and regulations of The City University of New York (CUNY) and the policies, regulations and orders of Herbert H. Lehman College (the College). The purpose of the Corporation is to provide an educational and development program for children of registered degree students at the College during times of regularly scheduled college classroom instruction in order that students with childcare responsibilities may pursue their educational programs at the College.

The Corporation was organized exclusively for charitable, educational and scientific purposes and shall not carry on any activities not permitted to be carried on by a corporation exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code.

Although the Corporation is a separate and independent legal entity, it carries out operations which are integrally related to CUNY and, therefore, is included as a part of CUNY's financial reporting entity.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The Corporation's accounting policies conform to accounting principles generally accepted in the United States of America (GAAP) and applicable Governmental Accounting Standards Board (GASB) pronouncements.

For financial reporting purposes, the Corporation is considered to be a special-purpose entity engaged only in business-type activities. GASB defines business-type activities as activities financed in whole or in part by fees charged to external parties for goods or services. Accordingly, the accompanying financial statements have been prepared using the economic resources measurement focus and the accrual basis of accounting in accordance with GAAP, as prescribed by GASB. For financial reporting purposes, the Corporation is also considered to be a discretely presented component unit of the University, as defined by GASB.

(b) Net Position

The Corporation's resources are classified into the following net position categories:

Net investment in capital assets - Capital assets, net of accumulated depreciation and outstanding principal balances of debt, if any, attributable to the acquisition, construction, or improvement of those assets.

Restricted - non-expendable - Net position subject to externally imposed stipulations requiring the Corporation to maintain them in perpetuity.

THE LEHMAN COLLEGE STUDENT CHILD CARE CENTER, INC.

Notes to Financial Statements, Continued

(2) Summary of Significant Accounting Policies, Continued

(b) Net Position, Continued

Restricted - expendable - Net position whose use is subject to externally imposed stipulations that can be fulfilled by the actions of the Corporation or the passage of time.

Unrestricted - All other net position, including net position designated by actions, if any, of the Corporation's Board of Directors.

At June 30, 2022 and 2021, the Corporation had no restricted net position.

(c) Cash

Cash is comprised of highly liquid instruments with original maturities of 90 days or less.

(d) Concentration of Credit Risk

The Corporation maintains its cash on deposit in one financial institution, in an account which at times, may exceed the federally insured limit. This potentially subjects the Corporation to a concentration of credit risk. The Corporation has not experienced any losses in such account.

(e) Accounts Receivable

Accounts receivable are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management. Accounting principles generally accepted in the United States of America require that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method.

(f) Investments

The Corporation has investments held in CUNY in an investment pool which is under the control of the Committee on Fiscal Affairs of the Board of Trustees of CUNY (the Committee). Several investment advisory firms are engaged to assist the Committee in its investment pool portfolio management, which is comprised of cash and cash equivalents, corporate bonds, equities, mutual funds, U.S. agency mortgage-backed securities, U.S. government bonds and foreign bonds. Realized and unrealized gains and losses are included in the statements of revenue, expenses and changes in net position.

(g) Capital Assets

Capital assets are stated at cost at the date of acquisition or fair value at the date of contribution, if donated. In accordance with the Corporation's capital asset policy, capital assets are defined as any asset with a useful life of at least five years and a cost or value at the time of receipt of \$5,000 or more for all computer, equipment, furniture and fixtures and capital improvements. Depreciation is computed using the straight-line method over the estimated useful life of the asset and is not allocated to the functional expense categories. The estimated useful life of computer, equipment, furniture and fixtures and capital improvements is five years and ten years, respectively.
