

Revolutionizing Small Business: The Impact of AI on Growth & Innovation

Free event
Thursday July 11
6-8:00 p.m.

Panel Discussion

Moderated by Provost Jorge Silva-Puras

Instructor: Ming Lei

Panelists: Vincent Navarro – SciGence

Roger Thomas - MelloTymes

Are you wondering about Artificial Intelligence (AI)? Come and find out how local entrepreneurs are using AI in their small businesses. Get a basic understanding of the applications for business purposes through discussion facilitated by Lehman College Provost Jorge Silva-Puras and small business entrepreneurs.
