

NOTES ON USE

1. This agreement is intended for use by a CUNY College that is licensing its pool.
2. This agreement was designed for use by outside swim clubs or other organizations that have members or individuals who've signed up for classes. See e.g., Section I.B. It may require revision if the user is a school that wants access to the pool for, e.g., swim team practice.
3. This agreement assumes that many of the swimmers will be minors. Some provisions, such as Section V (regarding lifeguards and chaperones) may need to be revised if swimmers will be adults. Users of this form should not assume that the lifeguard to swimmer ratios listed reflect current best practice and should confirm what is recommended by the American Red Cross or similar institutions.
4. Note Section IV.C, which requires Licensee to include Licensor as a released party under any waiver/release that Licensee may require of swimmers and others.
5. Note that while CUNY has alternate insurance and indemnity terms when government entities are using college facilities for classroom and meeting use, it cannot permit use of pools without insurance being in place.

D. Charges for additional time, space, equipment, and/or services which were not contemplated or ascertainable at the time of execution of this Agreement shall be billed at Licensor's standard rates and shall be payable promptly upon notification by Licensor that such charges are due.

E. **Time shall be of the essence with respect to all payments required pursuant to this Agreement.**

F. Licensee acknowledges and agrees that pursuant to this Agreement, Licensor has reserved the Pool for Licensee's use on the date(s) specified in **Schedule A**. In reliance thereon, Licensor has declined to pursue and/or has refused offers from others desiring to use the Pool on those dates. Upon the exercise by Licensor of any such discretion, all rights of Licensee hereunder shall immediately terminate. In any such event, Licensor shall be entitled to retain all money paid or agreed to be paid by Licensee; and, Licensee agrees that any claim by Licensee for damages arising out of any act of Licensor, its agents, or employees, in the exercise of Licensor's discretion under this clause shall be and is hereby waived by Licensee and there shall be no other liability of any kind on the part of Licensor, and Licensor is totally released by Licensee hereby.

Licensee agrees to include Licensor, and the College as released parties in any waiver/release it obtains from Members and to the extent Members are minors, from their parent(s) or legal guardian(s). Upon request by Licensor, Licensee shall submit to Licensor prior to the start date set forth on **Schedule A** copies of such permits and licenses required to be obtained by Licensee.
